Your Little Guide On Hodgkin Lymphoma: 27 Questions You Should Ask Your Doctor

Synopsis

A simple, straight-to-the-point book which discusses different aspects of Hodgkin lymphoma in the common man's language. Free of brain-cracking medical jargons, you will find it easy to read and understand. It is a great book for those who do not know much about Hodgkin lymphoma. If you, your relative or friend has been diagnosed with the disease but your knowledge is limited, this book is a good place to launch the battle. Information on various aspects of the disease is up to date. Available treatment options are discussed extensively. Unlike its alternatives, YOUR LITTLE GUIDE ON HODGKIN LYMPHOMA covers the wide field of Hodgkin lymphoma in a concise, easy-to-read manner.

Customer Reviews

This book is a good overview of the types of Hodgkin's, stages, treatments, trials, side effects, etc....

I have it on my iPad, so when I have my appointments, I can review this information. I have just been diagnosed and need this overview.

The information was general and about what you could easily find on the Internet. Not impressed

even though I wanted to be.
