## Customer Reviews

A must read for musclecar ethuiests. Also recommend that The "Generation X" crowd read, to fully appreciate what a "real car" was. The 442 W= Machines and Hurst/Olds are well covered- And they were trully awesome. Just ask GTO owners.

This book is like my secound bible, i refer to it often. Super job in reviews, pictures, graphs, and those great stats that placed Oldsmobiles in a league of there own! \$Roger

Oldsmobile Muscle Cars: All Post-War Oldsmobile High-Performance Including Rocket 88, 442, W-30, Indy Pace Cars, and Rallye 350, Softcover, text with all Black and white photos only, MBI, 1994, William Holder & Phillip Kunz: It's A Good book with information and stats on Oldsmobile greats\* MY FAVORITES\* like the 4-4-2 (4bbl, 4spd, stock dual exhaust) W-30'S Among others, The book doesn't cover olds powered indy type/irl cars, Nor the 80'S HURST Cars I like. And all the photos are in Black and white, Except the cover which has a Red Convertible and a Hurst car. It is a good book for the Olds Fan, GM Fan, and Muscle car fanatics.
