Talking In The Dark (Push Poetry)

Synopsis

PUSH continues to break new ground with this remarkable poetry memoir of growing up, coming out, and exploring love. This is a memoir that is lived in moments. The moments you know - when you see your parents' marriage dissolving, when you realize you're a boy who likes boys, when you speak the truth and don't know if it will be heard. The moments you don't recognize until later - when you leave things unsaid (even to yourself), when you feel your boyfriend letting go, when you give up on love. And the moment you get love back. In an amazing narrative of poems, Billy Merrell tells an ordinary story in an extraordinary way.

Book Information

Series: Push Poetry

Paperback: 144 pages

Publisher: Push (October 1, 2003)

Language: English

ISBN-10: 0439490367

ISBN-13: 978-0439490368

Customer Reviews

I'm a lesbian. I'm 20, not really a teen. But a friend told me about Billy Merrell's TALKING IN THE DARK because she knew I loved poetry, and it has since become one of my favorite contemporary collections. And not only that, but I found in Merrell a place to feel comfortable. Not only because I'm gay and so is he, but because he happens to be gay, and so do I. He is so wise for his age. My mother is reading it now, and that is what she told me. The poems are smart, emotional, revealing. Merrell strips his life down to amazing, telling lines that left me wanting it to go on and on. I've read it twice already and am taking my time reading it a third time now, and there's always something new and beautiful to find in the rereading. My favorite poetry is personal, careful, and spiritual (not religious, necessarily, but intensely in touch with the world). That's what the poems in TALKING IN THE DARK are like. If you know someone, anyone, who reads poetry, this is a book that will affect

them, always.

~*AMAZING*~ My girlfriend loved TALKING IN THE DARK and MADE me read it, which I don't usually do. She said I would like it because I like poetry, which is sort of true lately. But it took me months to find it in a store before my mom bought it online for me... since I don't have a credit card, duh. But it's great. I haven't read anything like it before. And my girlfriend likes me to read her parts, especially SHHH and HISTORYS. Guys, buy this book for your girlfriends (or boyfriends).

i read "talking in the dark" over a year ago and it has still stuck with me. even though this memoir is told through poetry, it is very easy to read and understand. you can really relate to what merrell has gone through. this book is definately an amazing undiscovered gem. i highly recommend it.
