Get Over It! 7 Steps To Living Well With Lupus

Synopsis

Dr. Adair has struggled with Lupus for more than a quarter of a century. She has battled the effects of this debilitating disease physically, emotionally, professionally and financially and shares stories of tragedy and triumph in this book. It is a motivational, inspirational and empowering presentation of stories, ideas and messages that are designed to cultivate and encourage positive changes for those who have been diagnosed or are affected by Lupus. She teaches her audience that although they may be âœdamagedâ • they are not âœdestroyed.â • And even when they are âœbentâ • they are never âœbrokenâ • because they own the power of change and to âœbounce backâ • despite living with Lupus. She shows her readers how to use âœBirth Control, Emancipation, Listening and Learning, Inner Integrity, Emotional Evolution, Victory and Endingâ • as methods to live well with Lupus. As the main tenets of her unique B.E.L.I.E.V.E. system these elements guides readers through a journey of hope, faith and unlimited possibilities. Captivating. Powerful. Informative. Inspiring. This book has it allâ|. A must read!
