Kaufman's Clinical Neurology For Psychiatrists, 7th Edition

Synopsis

Completely revised in response to the new format of the ABPN certifying exam, Kaufman's Clinical Neurology for Psychiatrists is the ideal reference to enhance your mastery of the neurology knowledge needed for the Psychiatry Board exam. Nearly 2,000 multiple-choice practice questions, in print and online, assess your familiarity with the latest topics in the field! Enhance your mastery of the material with the help of abundant line drawings, CTs, MRIs, and EEGs that demonstrate key clinical findings to facilitate diagnosis. Fully understand each condition's relevant history, neurologic and psychiatric features, easily performed office and bedside examinations, appropriate tests, differential diagnosis, and management options.
