This book-Irritable Bowel Syndrome by K.M. Kassi is a very informative book and it is really helpful. At first this book provides information on Irritable Bowel Syndrome and the diagnostic procedure to determine it. If any one has the symptoms mentioned in this book you have to check on laboratory tests definitely and take medicine. Normally medicine treats the illness but it gives adverse effects as well. Here a natural and herbal approach is provided as the remedy and their benefits are emphasized under each and every title. This book provides natural remedies for this by changing food items and diets. Steps to manage stress and exercising is also recommended here in this

book. Herbal remedies and alternative therapies are also discussed as remedies here. This book will provide you the necessary steps to live a fulfilled life even with IBS. The author has done a great research on the subject and his knowledge is clearly displayed through out this book. Highly recommended.

There is terrific information in this book! Whether you have mild or severe ibs learn how to minimize symptoms without taking harmful medicines. I am always looking for more natural ways to fight ailments and this book is awesome! Using food and herbal techniques you will find this book very interesting and very helpful!

As an IBS sufferer, I have tried to manage embarrassing symptoms for a long time. Now that I am trying to eliminate some of the medications that I take, I began to look for alternative methods to help me with my IBS symptoms. I stumbled across this book and I think it's a good high level overview of the types of foods and other techniques that can be used to reduce symptoms. Good advice, for people like me looking for a better way to deal with IBS.

This book was full of information on IBS and with it easy to read guide you will have a better understanding o what IBS is. It highlights the importance of dietary changes, learning to eat the right kind of food, and explains that the simple act of properly eating can already prepare the digestive system even before you get to swallow your food. I recommendâ ¢ the book to anyone who has Irritable Bowel Syndrome great book.

This is one of the most toughest challenges one can face. Overcoming irritable bowel syndrome is not easy, but helpfully this book makes it a lot easier! It's full of clear, precise, down to earth advice we can start applying right away. If you're struggling with this issue, go ahead and grab a copy. You won't regret it
