Substance Abuse And Addiction Treatment: Practical Application Of Counseling Theory

Synopsis

Note: This is the bound book only and does not include access to the Enhanced Pearson eText. To order the Enhanced Pearson eText packaged with the bound book, use ISBN 0133388530. To order this title packaged with MyCounselingLab without Pearson eText, use ISBN 0134297326.
A Substance Abuse and Addiction Treatment shows how to help clients struggling with addiction by looking through the lens of counseling theory. After tackling basic concepts of substance abuse and dependence counseling, it looks at different counseling theories and how each supports the client with substance abuse issues. Offering more how-to's than most books, the author provides concrete descriptions of counseling theory in action, so readers know how to intervene during a real counseling session. A consistent case study is used throughout the entire book to illustrate different treatment approaches and techniques. The Enhanced Pearson eText features embedded video.

Customer Reviews

Good insight about substance abuse, treatment, prevention, and relapse. I like it a lot. Precise, simple and well done. I like it

This is an excellent read, and I love the information in the text, very interesting.

Excellent condition.

A book required for a college course. Very easy to read and follow. Well written and a great resource for future courses.
